In re: Evanston Northwestern Healthcare
Corporation Antitrust Litigation, et al.

Plaintiff,

v.

Case No.:
1:07-cv-04446
Honorable Edmond E.
Chang

Northshore University HealthSystem, et al.

Defendant.

NOTIFICATION OF DOCKET ENTRY

This docket entry was made by the Clerk on Tuesday, October 13, 2026:

MINUTE entry before the Honorable Edmond E. Chang: On review of the Plaintiffs' motion to approve distribution and for fees and costs [1258], any objection shall be filed by 10/22/2026. The Claims Administrator shall post this docket entry on the case-specific website on or before 10/14/2026. The Court does not anticipate any objections, however, given the follow-up steps and reasonably rigorous claims process detailed in the declaration provided by the Administrator. R. 1259. The Administrator appears to have reasonably addressed deficient claims, addressing some genuine gaps and correctly rejecting the many likely fraudulent claims. A modest number of late claims were accepted given the lack of impact on processing. To track the case only (no appearance is required, the case will not be called), a tracking status hearing is set for 10/23/2026 at 8:30 a.m. If no objections are filed, then the Court anticipates approving the proposed distribution and fees, and will set a status-report deadline for after the 90-day expiration of the first round of checks. Emailed notice (mw,)

ATTENTION: This notice is being sent pursuant to Rule 77(d) of the Federal Rules of Civil Procedure or Rule 49(c) of the Federal Rules of Criminal Procedure. It was generated by CM/ECF, the automated docketing system used to maintain the civil and criminal dockets of this District. If a minute order or other document is enclosed, please refer to it for additional information.
